

## Sentoria gets SC nod for KL listing

2011/12/22

Sentoria Group Bhd has received the approval from Securities Commission Malaysia (SC) for its listing on the Main Market of Bursa Malaysia Securities Bhd.

In a statement today, Sentoria said it expected the listing in the first quarter of 2012.

Sentoria, established since 1998, has built its expertise in the leisure and hospitality as well as the property development sectors, it said.

"The company has also carved a niche in developing affordable housing primarily in Kuantan, Pahang, with a proven track record of delivering properties ahead of time and adding development value to acquired land," it said.

Its head public and investor relations, Nasiruddin Nasrun, said the company has a unique business model through its synergistic business segments, in which it has a rising star in the leisure and hospitality sector, underlined by the cash cow business of property development.

"The listing milestone is a culmination of the group's past 10 years of enterprise building, and delivering properties and hospitality services that enrich the lives of our end-customers," he said. -- Bernama
