Dear Stakeholders,

TEMPORARY ROAD CLOSURE ALONG JURONG WEST STREET 75 NEAR WESTWOOD PRIMARY SCHOOL FOR LIFTING AND INSTALLATION OF STEEL BEAMS FOR PORTAL BEAMS

Our main contractor, CES_SDC Pte. Ltd will carry out road closures at Jurong West Street 75 **from 12.00am to 5.00am (nights only), from 8 May 2023 to 31 May 2023 for the section of Jurong West Street 75 between Jurong West Avenue 4 and Jurong West Street 73.** Traffic bound towards Boon Lay Interchange (Jurong West Street 64) is still accessible for motorists' use.

For the safety of the public, this temporary closure in the early morning is necessary to facilitate the lifting and installation of steel beams for the portal beam falsework. The MRT viaduct along this curved stretch is supported by the portal beam. Mobile crane will be used for this lifting activity.

The location for the road work is marked out in the enclosed **Annex A** for your information.

We will work with our contractor to minimise any inconvenience caused to the surrounding stakeholders. Road signage will be displayed on site to guide motorists to navigate around the work area during the road closure period.

For queries regarding the work, you may contact our contractor's Senior Public Relations Officer, Ms. Wong Poh Yin at 9699 0107.

Yours faithfully
