Dear Sir/Madam

**CONTRACT J107 – DESIGN AND CONSTRUCTION OF JW1, JW2 AND VIADUCT FOR JURONG REGION LINE
– SEGMENT LAUNCHING AT CENTRE MEDIAN IN THE DAY**

We would like to inform you that our main contractor, **CES_SDC Pte Ltd.**, will be commencing the segment launching works for the project. Below table is an overview of this activity, together with the location of the work area as shown in the enclosed Annex A.

Construction Activity:	Segment Launching
Construction Activity's Requirement:	Temporary sectional lane closure to facilitate the works
Duration of each sectional lane closure:	2 to 3 months
Working Hours:	Monday to Saturday, 8am to 7pm; subject to weather conditions and work constraints
Duration of Activity:	Q2 2023 to Q2 2024

The additional space required by the segment launching is needed for the parking of the heavy-lifting cranes and lifters that will be deployed to lift and install structural segments to construct the elevated station and viaduct. The lane closure is done in section by section of the work area, where they are planned to minimize the inconvenience to the nearby stakeholders. The first segment launching will start in Mid-March 2023.

Please be rest assured that advance road signages will be put up to guide all motorists to navigate around the work area.

We are working closely with our contractor to minimize any disturbances and inconvenience to the nearby residents/stakeholders/occupiers. Extensive environment controls will be put in place to reduce noise and dust disturbances. In addition, we will constantly monitor the noise level to be within the permissible limit and will promptly install appropriate and relevant mitigation measures whenever necessary.

Should you have further queries, you may contact our Project's Senior Public Relations Officer, Ms Wong Poh Yin at our project hotline number 9699 0107.

Your continued support for the Jurong Region Line Project is important to us as we work towards enhancing your travelling convenience and connecting you to places.

Yours sincerely
