PETALING JAYA: [Kerjaya Prospek Group Bhd](#) , through a consortium, has accepted a RM568.2mil contract from [Tenaga Nasional Bhd](#)  (TNB) for the establishment of a transmission main intake substation (PMU 500/275/132/33/11 kilovolts) Paka GIS in Terengganu.

In a statement, Kerjaya Prospek said the consortium comprises its wholly-owned subsidiary, Kerjaya Prospek (M) Sdn Bhd, Jati Tinggi Holding Sdn Bhd (a wholly-owned subsidiary of [Jati Tinggi Group Bhd](#) ) and Betapac Sdn Bhd.

“The project is scheduled to be completed within 24 months from the commencement date.”

Kerjaya Prospek chief executive officer and executive director Tee Eng Tiong said the contract represents an important opportunity for the group to expand its presence into Terengganu and participate in a significant power infrastructure project for TNB.

“Beyond strengthening our order book, the award allows us to extend our project footprint into a new geographical market and broaden our exposure to infrastructure-related works.

“Moving forward, we will continue to explore opportunities in new locations and project segments that complement our existing expertise and support the group’s long-term growth.”
